## Required Textbooks, Reference Books and Supplies

### Supplies

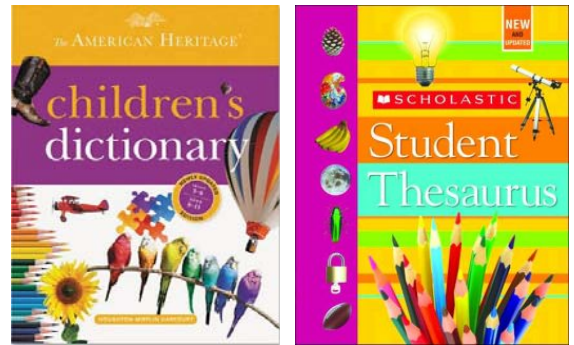

The Materials Fee covers most, but not all, school expenses. Overnight field trips and special projects, such as for the Science Fair, are not covered. In addition, certain textbooks, reference books and equipment may be required.

### Reference Books

It is highly recommended that students entering third grade and above have a good dictionary and thesaurus at home. LCP recommends the editions currently being used inside the classroom:

#### **Third, Fourth and Fifth Grades**

*The American Heritage Children's Dictionary (Grades 3-6)*  
*Scholastic Student Thesaurus*

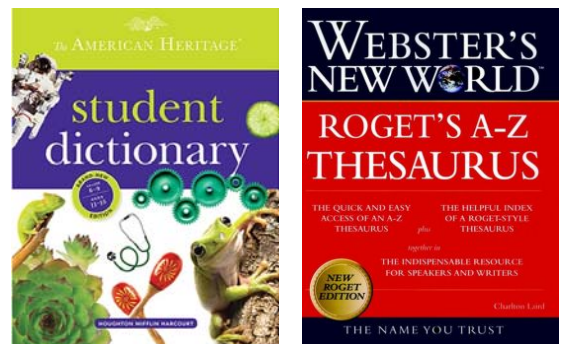

*Recommended reference books for third, fourth and fifth grades.*

#### **Sixth, Seventh and Eighth Grades**

*The American Heritage Student Dictionary (Grades 6-9)*  
*Webster's New World Roget's A-Z Thesaurus*

These dictionaries and thesauri are available at most online and brick-and-mortar booksellers including Barnes & Noble at the Americana\*.

*Recommended reference books for sixth, seventh and eighth grades.*
