

Required Textbooks

For students entering grades 6, 7 or 8

You have the option of purchasing books through another source of your choice (e.g. bookstore, Internet), from older LCP students, or from the Used Book Sale (see flier). When purchasing books from another source, the ISBN numbers must match the ones below or the book will not be accepted. Although we strongly encourage students to have their textbooks by the first day of school, **the deadline to have all books is Wednesday, August 24, 2016.**

Recommended Internet Resources: Amazon.com, AddAll.com, [BookFinder](http://BookFinder.com), directtextbook.com, eCampus.com, and half.com.
